

DISCIPLINE – ON LINE SYSTEM

Procedure – Implementation & Guidance

October 2018

Procedure – Discipline Offences

From the commencement of season 2015/16 an online Disciplinary System will be introduced.

The Match Referee will be responsible for inputting all match details confirming team lineups, including players names and ID numbers and all disciplinary details arising from the game.

The players / officials via their club can access details on the Club Admin System (the day following the game) of any disciplinary action taken by the referee.

The previous underlying principle that, other than for double cautions and “denying a goalscoring opportunity” offences, a suspension will be incurred and will start on the 6th day after the offence unless an appeal is lodged within the prescribed period.

The system will apply to all Junior games.

Offences / Procedure

A1 Serious Foul Play

A2 Violent Conduct

A3 Spitting at an Opponent or Any Other Person

A4 Denying the Opposing Team or an Opponent a goal or an Obvious Goal Scoring Opportunity as Defined by Law 12

A5 Offensive, Insulting or Abusive Language and/or Gestures

A6 Receiving a Second Caution in the Same Match

The Referee will complete online showing :

1. **The Player's number – the player's name – the offence number**
2. **The Official – name & position with club access details**

The Player/Official, etc. has 5 days to appeal, otherwise the suspension will automatically commence for the next game after the appeal period. This appeal should be sent to the Regional Secretary, accompanied by a £10 (ten pound) fee.

The Region/Association/Club can access a full report via the Club Admin System. On receipt of an appeal the automatic suspension will be lifted. Such appeal will be heard by the appropriate Regional Committee. If upheld, the sending off will be quashed and the appeal fee returned to the Player/Official.

Should the appeal be dismissed, the Committee will deal with the Player/Official on the merits of the incident and the appropriate fine and/or suspension would become effective immediately, the appeal fee being retained. The further right of appeal to the SJFA still being available.

NB Appeals considered to be of a frivolous nature or an attempt to circumvent the discipline procedure may be dealt with by way of an additional suspension. In these circumstances the applicant may also be responsible for the cost, or part thereof, of convening the meeting.
